PROJECT: MEN'S ROLES IN A GENDER EQUALITY PERSPECTIVE

KEY AIMS

1. **To promote awareness and knowledge** on men and gender equality in Portugal (platform for debate and dissemination, WHITE PAPER...)
2. **Fundamental Research** to feed into the White Paper
 - Updated statistical review on men and men's roles in families
 - Review on legislation and policies
 - Research on fathers (1st Workshop on **Fathers on Leave**, May 2014, Book *Fathers on leave alone*, Springer 2016)

Main aims today

- To analyse and disseminate recent data and findings on the situation of Portuguese men in different domains of life (e.g. employment, unemployment, family life, reconciling work and family), in comparative perspective
- To discuss the main challenges for gender equality policies
